

**REMARKS**

Applicants amend the specification to introduce a priority claim, stating that the instant application is a national-phase application under 35 U.S.C. § 371 of an International Application that designates the United States.

Applicants have also, herewith, amended claims 1 – 25 to attend to various informalities of punctuation and to remove multiple-dependencies. Accordingly, no new matter is introduced by way of any such amendments, and entry thereof is respectfully requested.

Applicants respectfully point out that the instant application is in condition for allowance, and an early notification of the same is respectfully requested. In the event the Examiner wishes to discuss any aspect of the instant application, (s)he is invited to call the undersigned on (650) 839 5070.

Applicants believe that no fee is owing with the instant amendment. Should the Commissioner determine otherwise, he is authorized to apply any other charges or credits to deposit account 06-1050 (Ref. No. 19669-003US1).

Respectfully submitted,

Date: January 10, 2006
